

The new Eponet app - from September 2025

You have downloaded the new Eponet or received it via upgrade.

Welcome to the new Eponet app for e- mobility and TimeCatch (time recording).

This new Eponet app is a completely new development and requires existing TimeCatch users to take a few steps in order to continue working with the new app without interruption. Unfortunately, these steps are unavoidable - we will try to guide you through them as best we can with these instructions and thank you for your understanding.
